## Happy Harvest!

### Welcome to **Silverman's Farm** October Group Tours

In celebration of Harvest Season, We offer scheduled tours for schools groups interested in visiting our Farm during the month of October. We schedule our tours from October 1st - October 30th from 9:30AM-12Noon in 15 minute arrival times.

*\*Please note: early and late arrivals do alter the flow of our schedule.  
We appreciate your flexibility and understanding.*

### What Our Tours include:

- Covered Wagon Tractor Ride through our 50 Acre Orchard
- A visit to the pumpkin patch - where everyone gets to pick a pumpkin to take home.
- A visit to our Animal Farm to feed and enjoy our animals.
- A special treat for everyone in celebration of the Season.

### A Few Suggestions:

\*Bring your lunch or a snack. There are plenty of picnic tables where you can sit and enjoy your lunch before heading back to school. It's a lovely way to end your trip.

\*We will supply you with bags for your pumpkins but, we suggest you bring labels with the names of all in your group. Everyone can then label the special pumpkin they picked and easily find it when they return to school.

\*Bring a laundry basket (or two) to house your pumpkins on the bus ride home. This will avoid you chasing pumpkins all the way back to school. :)

### Cost:

\$12 a person (teachers and chaperones included)

\$10 a bucket of grain ( good for approximately 20 people)

\*\*\*There are also feed machines in the Animal Farm that are quarter operated

\*\*\* We also offer individual keepsake buckets of grain for \$5

\*\*\* If you don't want to bring a snack we can always arrange for treats or cider - just let us know what your thinking and we'll help make it happen.

Payment is made the day of your trip after a final count of all in attendance. We understand that things can change. Payment can be made in the form of cash, check or credit card.
